**He Deserved Spanking.**

Mrs. John P. Newman, Bishop Newman's widow, who proposes to found a kindergarten in Jerusalem, has a great affection for children and a great store of children's anecdotes.

Anent an embarrassing situation, she said one day:

"This reminds me of a dinner that a Denver woman gave during a Methodist convention in her city."

"The dinner was sumptuous. The leading lights of the church and of the State were there. A Presiding Elder, in taking a drink of water, broke a glass."

"The hostess began to assure the Elder that the accident was of no consequence, but her well-modulated voice was easily overpowered by the loud shout of her little son."

"Oh, mamma," he cried, "it's one of the borrowed ones, isn't it?"
